

WE HAVE JOINED AUSTRALIA'S LARGEST DIGITAL RADIO NETWORK.

There's no need to battle on with ageing analogue infrastructure – use the radios trusted by leaders. Queensland Communications in partnership with The Orion Network is proud to bring you next generation fleet communications for just \$76* per month, per vehicle.

Extend your productivity, visibility and team safety by joining Australia's largest digital radio network and experience seamless network coverage from Brisbane's CBD, to the Sunshine Coast and Surfers Paradise.

GET CONNECTED FOR LESS THAN \$76* PER MONTH AND EXPERIENCE:

- Motorola's DM4601 digital mobile radio, programmed and ready to go
- High quality digital voice clarity, great for noisy trucks and heavy vehicles
- Built in GPS service with web based tracking application
- Group and private calling capability
- Text messaging
- Superior levels of service and support

Claim this offer before
31 July 2015 to get a
**FREE vehicle changeover
installation** with every
radio purchased.
